## EDUCATION

Masters in Computer Application with AIML Specialization  
Jain (Deemed to be University), Jayanagar, Bangalore, Karnataka

Aug 2024 - Present  
CGPA: 8.03

Bachelors in Computer Science  
Aditya Degree College Amalapuram, East Godavari dst. Andhra Pradesh

Jun 2021 - Apr 2024  
CGPA: 7.90

Board of Intermediate Education  
Sri Chaitanya Junior College, Amalapuram

Jun 2019 – Apr 2021  
CGPA: 7.99

Board of Secondary Education  
Z P High School, Kamanagaruvu

May 2019  
CGPA: 9.7

---

## EXPERIENCE

### QA Intern

#### Scaler AI Labs | Dec 2025 – Present

- Tested and validated reinforcement learning tasks.
- Checked outputs and identified errors in model results.
- Worked on robotics and audio-related tasks.
- Reported issues and improved task quality.

#### Full-Stack JAVA Development Intern – Zidio Development

*Feb 2025 – May 2025*

- Developed a comprehensive Enterprise Expense Management System using Java (Spring Boot), HTML, CSS, JavaScript, and MySQL.
- Gained hands-on experience in backend services, database interaction, and full-stack deployment.

#### Full-Stack Python Intern

#### Adhoc Network Tech Company | Jan 2025 – Apr 2025

- Built a Blood Bank Management System using Python, HTML, CSS, JavaScript, and SQL.
- Worked on both frontend and backend development.
- Handled database operations and deployment.

---

## PROJECTS

### Online Blood Bank Website

- Blood Bank Website made with python3, flask, SQL lite, Bootstrap.
- An online blood bank website is a platform where individuals can donate or request blood.

### Food Recipe Generator – Web Application

- Developed a recipe generator using HTML, CSS, and PHP.
- Built a system that suggests recipes based on user input ingredients.

### Network Traffic Tracer

- Developed a network tracing system using Python and Wireshark.
- Captured, analyzed, and monitored network traffic for security and performance.

---

## SKILLS

- **Languages:** C, Python, Java, SQL, HTML, CSS
- **Frameworks & Libraries:** PyTorch, Flask
- **Tools & Platforms:** Linux, MySQL, Kaggle
- **Technical Area:** Data Structures, Machine Learning, Deep Learning, Natural Language
- Processing (NLP)

---

## PUBLICATION AND CERTIFICATIONS

- Certified by IJSREM E-Journal is hereby awarded the certificate in recognition to the publication of paper titled Network Traffic Tracer: Analysing and Monitoring Network Traffic Using Python and Wireshark
- Certified by IBM in Python for Data Science, AI & Development
